

VERHUURMAKELAAR BAS

AANHUUR | VERHUUR | AANKOOP

The team of Rental Agent Bas understands that it can be difficult to find a rental home in Amsterdam area or elsewhere in the Netherlands.

For example, you have already had many viewing rounds, but you don't get selected as a candidate.

Or you simply don't have the time to look for a rental property. Hiring a rental agent makes finding a rental home a lot easier. In this search we guide you from start to finish. Our team of professionals approaches it in such a way that we ensure that the property is awarded to you. Whether you want to rent a house or apartment in Amsterdam North, East, South, West or Center or surrounding city's.

Why a rental agent?

A good preliminary process makes finding a home easier. For this it is important that we know what you are looking for and whether it also fits your budget. Once you have found a home, it is important that it is legally and contractually well put together. This requires time and expertise. A rental agent at VHMB provides a wide range of rental apartments and houses in and around Amsterdam or elsewhere in the Netherlands, where new homes are added every day. In addition, we conduct the negotiations and all legal matters regarding renting a home are managed in the right direction. Our professional team is knowledgeable and can take a lot of work off your hands. You can count on support from start to finish, from the first meeting up to and including the key handover.

What can we do for you?

Before we look at the housing offer, we first discuss all your housing wishes and requirements. Then we look for a suitable living space. We use our big network for this and we scan the digital market.

New homes are added every day so that the chance of a match is very realistic. As soon as we have a rental property in mind, we guide you throughout the entire process. Think of help with the viewing, advice about the different options, help with negotiations and making agreements with the landlord. Although the landlord determines the lucky one, we are 100% committed to ensuring that the house is awarded to you.
